January 9, 2012

WASHINGTON — The United States Mint today announced the opening of sales for the 2011 America the Beautiful Five Ounce Silver Uncirculated Coin – Vicksburg National Military Park (Mississippi) on January 12, 2012, at noon Eastern Time (ET).

The maximum mintage for this coin is set at 35,000 units. Orders will be limited to five coins per household for the first week of sales. At the end of that week, the United States Mint will re-evaluate this limit and either extend, adjust or remove it. Pricing for the coins is currently set at \$204.95. As with all products sold by the United States Mint containing precious metals, however, pricing is subject to change.

The America the Beautiful Five Ounce Silver Uncirculated Coins are collector versions of those issued through the America the Beautiful Silver Bullion Coin™ Program. The designs featured on the five-ounce, three-inch uncirculated and bullion coins mirror the designs that appear on each corresponding circulating quarter issued through the America the Beautiful Quarters® Program.

Struck in .999 fine silver, these coins display the “P” mint mark, indicating production at the United States Mint at Philadelphia. To protect the uncirculated finish, each coin is enclosed in a capsule and an attractive presentation case. A Certificate of Authenticity is included.

The United States Mint will accept orders for the 2011 America the Beautiful Five Ounce Silver Uncirculated Coin – Vicksburg National Military Park at its secure Web site, <http://www.usmint.gov/catalog>, or at 1-800-USA-MINT (872-6468).
